

Send & Ripley History Society

Established 1975 as Send History Society
Registered Charity No 296324

Membership Application /Subscription Renewal 2020

The Society was formed in 1975 and became a registered educational charity in 1987. Our museum in Ripley opened its doors in 1993. As well as exhibitions at the museum, the Society distributes a bi-monthly journal to members, which contains, as well as reminiscences, researched articles.

In addition, the Society continues to add to its range of books devoted to different aspects of the history of Send and Ripley. The Society has transcribed and indexed many documents relevant to the area and these can be accessed at the museum. We are also adding material to our website

www.sendandripleyhistorysociety.co.uk.

The Society organises winter talks on a range of topics relating to local history and summer outings to places of historical interest. These are all free to members.

Membership is by annual subscription; £15 for a single person or £20 for a couple.

This includes the bi-monthly Journal which is delivered free locally by volunteer members. Outside Send & Ripley, an additional £8.00 is payable to cover postage. There is an option to receive a digital version of the Journal via email. If you choose this option, no postage charge will apply.

To become a member of the Society please complete and return the attached form together with the appropriate payment.

Personal information supplied by you to the society will not be shared with third parties, except as required to claim gift aid on subscriptions or donations or as otherwise required by law. We will use your data to communicate with you about the society's activities from time to time. If you cease to be a member of the society your personal data will be deleted. If you have any questions about the use of your personal data please contact the membership secretary or any other committee member.

Through all these activities we endeavour to fulfil our role as an educational charity and would welcome your further support by signing the **Gift Aid** form overleaf (if you have already signed and completed the Gift Aid form, there is no need to do so again).
